SCOUTING MAKES A DIFFERENCE

As a parent, you want your child to grow up to be a self-reliant, dependable and caring individual. Scouting has these same goals in mind. Since 1910, we have been weaving lifetime values into fun and educational activities designed to assist parents in strengthening leadership, character, good citizenship, and physical fitness for youth.

Scouting is about **positive youth development**. However, we know that kids do not join Scouting to get their character built. They join because it is fun!

- **Your time is valuable.** More than ever, today's families struggle to find time to spend together. Cub Scouting helps to support your family by providing **ready-made adventures and activities** for you and your child to enjoy together.
- Your child needs comradery with their peers. With an emphasis on **fostering friendships**, kids will build self-esteem and learn to get along with others. As a parent, you want to be assured that the groups that your child joins will teach values consistent with good citizenship, character development, and physical fitness in a **safe environment**.
- Scouting teaches **family values** and works to strengthen your relationship with your child. Scouting activities can provide added value to the time you have with your child. It also provides activities for the **whole family** to enjoy.

CUB SCOUTS
DO YOUR BEST.
HAVE FUN DOING IT.

The best way to find out what you do best is to do it. Kick a ball. Pitch a tent. Build a Pinewood Derby car. Cub Scouts are at that magical age where everything is new and fun. They live in a world of “firsts” — first home run, first campfire, first checkered flag — where their game plan is their imagination. Their most valuable rewards are the friends they make for life and a parent’s proud smile. These are the invaluable experiences that can be had in Scouting.

DID YOU KNOW THAT THE 5 C’S OF POSITIVE YOUTH DEVELOPMENT ARE WOVEN THROUGHOUT THE SCOUTING PROGRAM?

COMPETENCE
CONFIDENCE
CHARACTER
CONNECTION
CARING

YOUR CHILD IS A MEMBER OF A DEN

Cub Scouts is a family-centered program for kids and adults

- A Den is a single gender group of six to ten children who meet with adult leaders to play games, learn skills, complete adventures, perform skits and songs, and take field trips.
- Dens meet at the convenience of leaders and families, at least twice a month, perhaps weekly.
- A Den is led by a Den Leader (parent volunteer) who is helped by an assistant Den Leader and parent helpers who share the fun.

YOUR CHILD AND THE DEN ARE PART OF A PACK

- Each Pack is made up of one or more Dens.
- Once a month, Cub Scout families attend a Pack meeting with games, skits, songs, ceremonies and presentations of recognition badges earned that month.
- The Pack meeting is led by the Cubmaster with help from other parents.
- The Pack families will also have other activities, like Pack Family Camping, Pinewood Derbies, and field trips.

YOUR PACK IS OWNED BY A CHARTERED ORGANIZATION

- Chartered Organizations include schools, parent-school organizations, religious organizations, service clubs, and other organizations interested in youth.
- Your Chartered Organization approves leadership, helps secure a meeting place and ensures the Pack operates within both their guidelines and policies and those of the BSA.
- Your Chartered Organization selects a Representative as a liaison between the Pack and the Chartered Organization.

DESIRED OUTCOMES

AS A CUB SCOUT, YOUR CHILD WILL PARTICIPATE IN ACTIVITIES AND ADVENTURES THAT WILL ACHIEVE FIVE KEY OUTCOMES:

FUNDING FUN, FRIENDSHIPS & FUTURES

Funding Scouting is a shared responsibility between the family, the Pack, and the Council. It takes more than \$10 million per year to ensure that the programs, properties, and personnel are in place to make Scouting the premier choice for families in Orange County.

The Family – members buy their own uniforms, handbooks, personal equipment and typically pay their own camp fees. Family dues help defray Pack costs. Families are also invited to invest in the Council operation by making an annual donation. Participation in Pack fundraisers can reduce out-of-pocket expenses.

The Pack – creates a budget to cover the expenses necessary to deliver a quality program for its members. Income sources include money-earning projects and family dues.

The Council – financial support for the Council comes from a variety of income sources including: annual donor campaigns, grants, fees, product sales and special events. As part of its annual “Friends of Scouting” campaign, families are asked to invest \$25 per month to support the efforts of Scouting in Orange County.

Friends of Scouting (FOS) – A Personal Investment in Scouting

As a nonprofit organization, the Boy Scouts of America relies upon the generosity of charitable donations from families like yours to support its ongoing operations. Each gift, regardless of size, provides invaluable funding for BSA programs that benefit Scouts across the county. Each year a personal appeal is made to parents and leaders.

Make Your Annual Donation Online

Visit ocbsa.org/donate to make an investment in Scouting today.

A Scout is Thrifty and earns their own way.

The Council hosts two fundraisers annually for Packs to help reduce costs to families.

Popcorn Sale

Scouts can earn great prizes, be invited to special events, and receive college scholarships by selling gourmet popcorn products exclusive to Scouting. The sale runs October to November.

Adventure Card Sale

Scouts sell discount cards with coupons from local businesses. Commissions earned on the sale help Packs reduce costs to the family including camp fees. Every Scout deserves to benefit from a summer camp experience; the Adventure Card Sale makes that possible. The sale runs from March to April.

THE ADVANCEMENT PLAN

A Cub Scout Den provides your child with a group of boys or girls their own age in which they can earn awards and recognition. In the Den, kids will also gain a sense of personal achievement for the new skills they learn. Each Cub Scout learns to respect their home, country, God, and other people. Most advancement requirements will be done at Den meetings, but many can be done at home with the family.

LION

Lion is a program of the Boy Scouts of America for kindergarten-age children. The Lion program encourages kids to learn and explore through hands-on, high-energy activities.

BOBCAT

All Scouts earn the Bobcat badge first by learning the Scout Oath and Law, handshake, salute, sign, and motto. After receiving the Bobcat badge, the Scouts work on requirements based on their grade level.

1ST GRADE - TIGER

The Tiger badge is earned after completing six adventures and one elective adventure. Adventures can be a den activity, family activity, or a field trip. After completing the Tiger rank, Scouts may do more adventures. Adventure loops are worn on the Tiger belt.

2ND GRADE - WOLF

The Wolf badge is earned after completing six adventures and one elective adventure. Adventures can be a den activity, family activity, or a field trip. After completing the Wolf rank, Scouts may do more adventures. Adventure loops are worn on the Wolf belt.

3RD GRADE - BEAR

The Bear badge is earned after completing six adventures and one elective adventure. Adventures can be a den activity, family activity, or a field trip. After completing the Bear rank, Scouts may do more adventures. Adventure loops are worn on the Bear belt.

4TH GRADE - WEBELOS

When a Cub Scout has completed the third grade (or becomes 10 years old), the child works on requirements for the Webelos badge. The Webelos badge is earned after completing five adventures and two elective adventures. Scouts earn adventure pins to be worn on the uniform.

5TH GRADE - ARROW OF LIGHT

When a Scout completes the fourth grade, the child works on requirements for the Arrow of Light badge. The Arrow of Light badge is earned after completing four adventures and three elective adventures. Scouts earn adventure pins to be worn on the uniform.

When a Scout reaches 11 years of age, and completed the fifth grade, they graduate from Cub Scouts to Scouts BSA at an impressive graduation ceremony. We aim to graduate every Cub Scout into Scouts BSA. Generally, your child will be prepared to join a troop in February or March of their fifth grade year in time to plan for their first Scout summer camp experience.

NEW SCOUT BASIC NEEDS

BOYS' LIFE IS HIGHLY RECOMMENDED

Boys' Life Magazine (formerly *Boys' Life*) has been around for almost as long as there have been Scouts. It is the only magazine especially designed for the Scout.

The mission of *Boys' Life* Magazine is to entertain and educate America's youth and to open their eyes to the joyous world of reading. This is accomplished through a proven mix of news, nature, sports, history, fiction, science, comics and Scouting. A special edition is published for Cub Scouts with age and program specific content and feature articles.

Parents can always be confident that the content of the magazine is wholesome, entertaining, and educational.

SCOUT HANDBOOK

Contrary to what your child may tell you, the first thing they will need to get started is not a uniform, but a book. Scout handbooks are number one bestsellers for developing life skills, leadership and character. The books in Cub Scouting are color coded for quick reference, are related to age and contain the basics needed for the coming year, especially the requirements for advancement awards.

CUB SCOUT UNIFORM

The uniform makes Scouting visible as a force for good and creates a positive youth image in the community. The uniform gives the Scout identity in a world-wide kinship of youth who believe in the same ideals. The uniform provides a way for Scouts to wear the badges that show what they accomplish.

Scout uniforms are of very high quality and, in most cases, will last for several years. So, be sure to buy one large enough for your child to grow into.

Scouts are encouraged to wear their uniforms to school on the day of their Scouting meetings. Cub Scouts especially enjoy this, and the uniform serves as school clothing one day a week.

HOW CAN I HELP?

Scouting operates through volunteer leadership. Volunteer leaders are an example of Scouting's principle of service to others. Naturally, parents are the primary source of leaders in the Scouting program. You volunteer not only to fill a role in Scouting, but also to help your child and their friends, and to have the chance to be a positive influence on the youth in your community.

WHAT DO YOU GET IN RETURN?

Being a leader is fun, challenging, and rewarding. Leaders find that their experiences help them to become better parents. The following are some of the many dividends that will enrich your life as you dedicate your time, talents, and enthusiasm to Scouting.

- Fun, fellowship with other families, AND sharing your pride in the kids' accomplishments.
- The privilege of helping to enrich and strengthen families.
- A chance to help children learn good citizenship and to help shape them into adults who have strength of character and are sensitive to the needs of others.
- The opportunity to help make a difference in the lives of youth as they grow strong in mind and body.
- A code to live by which will set a worthwhile example for both kids and adults.
- The satisfaction of being a member of a worldwide movement, and pride in being publicly identified as a part of this organization – wearing the Scouting uniform is a visible means of showing you believe in and stand up for the ideals and objectives of the Boy Scouts of America.

TRAINING

EVERY SCOUT DESERVES A TRAINED LEADER

Being a volunteer in your child's Cub Scout Pack is an exciting journey where you and your family will share many lifelong memories. The first step in that journey is to complete training. Training provides you with the tools and resources you will need to lead a quality program for Scouts.

STEP 1 - YOUTH PROTECTION TRAINING

All registered adult leaders must take Youth Protection Training (YPT). YPT covers the BSA's youth protection policies, kinds of abuse, how to respond to disclosure of abuse, and proper reporting procedures. YPT is required every two years.

- Take the course online through my.scouting.org (if you are new to Scouting, you will be asked to create an account).
- For frequently asked questions: ocbsa.org/training-faqs.

STEP 2 - LEADER SPECIFIC TRAINING

Adult leaders must also take Position Specific Training and Hazardous Weather Training. Position Specific Training is designed to present in-depth information for a new leader in a leadership position, and Hazardous Weather teaches how to provide Scouting in a safe environment.

- Take the course for your position. (for example, if you are a Tiger Den Leader, take Tiger Den Leader Training. If you are an Assistant Scoutmaster, take Scoutmaster/Assistant Scoutmaster Leader Specific Training)
- Even if you change positions during your tenure, you must take the training required for your position
- Take Position Specific and Hazardous Weather Training online through my.scouting.org then go to the BSA Learning Center

STEP 3 - BASIC ADULT LEADER OUTDOOR ORIENTATION

After completing Leader Specific Training and Hazardous Weather Training, you may opt to take the following:

- In order for a Pack to go camping, at least one adult must take Basic Adult Leader Outdoor Orientation (BALOO). Visit ocbsa.org/calendar to register for any upcoming courses offered.

Thank you for taking the time to make Scouting in your unit the strongest it can be. Every youth deserves a trained leader.

YOU ARE NOT ALONE

Being a volunteer leader is fun, challenging, and rewarding. But you don't have to do it all by yourself. Your Pack, District, and Council have many people and resources to give you and your child the best Scouting experience possible.

- The staff at the Orange County Council Scout Service Center can help you, or they will find someone who can.

Phone: (714) 546-4990

Website: www.ocbsa.org

• Publications

- Volunteers are informed of national Scouting news and events through *Scouting Magazine*, included with adult registration fee.
- A weekly online newsletter, *ScoutWeek*, and other e-news are e-mailed to every family to keep them abreast of upcoming programs, good news stories, and other important information to ensure a quality experience.
- Many Packs have a library that contains leader books you need.

Your District has a team of volunteers called the District Committee, which develops quality district-wide programs Scouts can participate in.

Each Pack has a commissioner assigned to serve as a Pack coach.
