BOY SCOUTS OF AMERICA **ORANGE COUNTY COUNCIL**

The Boy Scouts of America offers over 135 Merit Badges that allow boys to explore a variety of subjects from Astronomy to Woodworking. By sponsoring the Merit Badge of your choice you will help the young people of our community to be prepared to make the ethical and moral choices written in the Scout Oath and Law.

It's more than a patch!

The Merit Badge Sponsorship Program provides structured, safe activities that allow youth to grow, explore vocations, build new skills and develop lifelong hobbies. There is no better time than now to help guide youth in positive directions.

With your support, the Orange County Council will ensure that youth will register with the Boy Scouts of America, have the opportunities to attend summer camp, own their own books and uniforms, and enjoy the same activities as youth involved in mature, self-funded units. Your funding will also help us to create more Scout units, and to develop the units into self-sustaining, Successful programs.

Thank you!

By participating in the Merit Badge Sponsorship Program your company is choosing to make a great investment in the lives of the young people in our communities. We look forward to working with you to provide quality programs for our future generation.
