**MOST REVEREND KEVIN W. VANN, JCD, DD
BISHOP OF ORANGE**

Bishop Kevin W. Vann is a graduate of Springfield's St. Agnes Grade and Griffin High schools. He attended Springfield College and earned a Bachelor of Science in Medical Technology from Millikin University, located in Decatur, Illinois. After working for three years as a medical technologist, he entered the seminary in 1976.

After his ordination in 1981, he was assigned to graduate studies in Canon Law at the Angelicum in Rome, with residence at the graduate house of the North American College, the Casa Santa Maria dell' Umilta.

Upon returning to the Diocese of Springfield in Illinois, then Father Vann was involved in the work of the Diocesan Tribunal and the Tribunal of Second Instance in Chicago.

He served as pastor of parishes ranging in size from 35 to 1,300 families, two of which had large schools. He also taught Canon Law at Kenrick Seminary.

Bishop Vann was ordained and installed as the third bishop of the Catholic Diocese of Fort Worth in 2005, at Texas Christian University's Daniel-Meyer Coliseum.

In 2012, His Holiness, Pope Benedict XVI announced the appointment of Bishop Vann as the fourth Bishop of Orange. Bishop Vann has led the Diocese of Orange – the 10th largest diocese in the country and the second-largest west of the Mississippi – in its multicultural mission to meet the social, economic and spiritual needs of the region's increasingly diverse Catholic population.

He continues to lead the historic effort to transform the former Crystal Cathedral from a world-renowned center of Protestant worship into the West Coast's most visible center of Catholicism.

A Look at Family Scouting

Our priority is to bring the benefits of Scouting to more youth while remaining true to our mission.

The BSA's mission is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Scout Law. We are excited to announce that our Cub Scouting program is now open to boys and girls. By welcoming both girls and boys into the program, even more youth will have access to the character development and values-based leadership that Scouting promises.

How will this affect Packs?

Cub Scout dens will be single-gender — all boys or all girls. Cub Scout packs, meanwhile, can include any combination of all-boy or all-girl dens. This hybrid model builds on the benefit of a single-gender program while also providing character and leadership opportunities for both boys and girls.

How will this affect Troops?

There will be no co-ed or mixed troops. Girls will be able to work toward — and earn — Scouting's highest honor, the Eagle Scout Award.

Continuing the Heritage of the Boy Scouts of America

The organization will continue to be the "Boy Scouts of America" Scouts BSA is the new name for the older youth program (previously called Boy Scouts). The name change will be effective in February 2019, when Scouts BSA will begin welcoming girls and boys.

We are excited to invite all Orange County families to be a part of the Scouting movement and welcome our new Scouts!
