Leading the Way Outdoors

You and your children are invited to join us for the day and discover how Scouting and the Irvine Ranch Outdoor Education Center (IROEC) can enhance your child's educational experience with engaging, hands-on learning. In partnership with the Orange County Council, Boy Scouts of America the IROEC provides more than 30,000 young people with quality outdoor education experiences annually.

Registration will open at 8:30. Activities will kick off following the opening gathering at 9:00. Lunch will be at 12:10 with more activities in the afternoon. We will wrap the day up with a pool party at 3:00.
